

Maryland Society of Mayflower Descendants Scholarship Program

Our Mission

“The Scholarship Committee serves as the connection between the Society of Mayflower Descendants in the State of Maryland and the applicants to and recipients of its college scholarship awards. The fundamental purpose of these awards is to support students in their academic pursuits and promote better knowledge and awareness about the story of the Pilgrims, and the preservation of that historical heritage.”

Our Vision

Through this scholarship program, students will feel a stronger connection to their ancestral ties to the passengers of the Mayflower and the legacy that connects the generations.

The Award

The minimum award for selectees is \$1500.00. Runner-up awardees will also be considered for a scholarship award, depending on availability of funds. Preference is given to first-time selectees. The award monies must be used for tuition, fees, and/or textbooks. The Society’s Scholarship award decisions are final.
