## The Pilgrims' Contribution to American Democracy

The influence of their ideology of freedom

The Guest Speaker for our Spring Dinner will be Delaware Society's Deputy Governor General, Noel H. Kuhrt, Jr., a descendant of Myles Standish and Richard Warren. Noel will speak about Pilgrim history and their significant contribution to our Society. Few Americans realize the influences they left behind.

Noel majored in chemistry at Dartmouth. He began his career as a research chemist in Photo Products at the DuPont Company in Rochester, NY. His contributions included new and improved photographic papers and films for aerial mapping, oil exploration, engineering reproduction, portraiture and yearbook photography. Noel transferred to Wilmington, Delaware, for technical service in DuPont's Imaging Systems marketing division and retired as a technical specialist.

Noel holds patents in photographic manufacture and processing. He created a locally televised question-and-answer program on Pilgrim history and continues to give public lectures.

Noel H. Kuhrt, Jr.  
Delaware Society DGG

Noel joined the Delaware Mayflower Society in 1983 and has served as Governor, Captain, Assistant, Education Chair, Finance Chair, Deputy Governor General and Assistant General. He was awarded membership in The Order of The Hook. We look forward to his historical and inspiring presentation. *See page 12 for details.*

### "Four Teenage Women of the Mayflower"

Priscilla Mullins, Elizabeth Tilley, Constance Hopkins, and Mary Chilton  
Painting by Karen Kuhrt

This oil on canvas painting by artist Karen Kuhrt, the wife of Governor Noel Kuhrt, will be on display at the Spring Dinner. This painting is the only known work of art to provide an accurate and historical interpretation of the four teenage girls in Plymouth. A limited number of prints will be available at the Spring Dinner for a price of \$50.00. The image size is 11x14 and fits in a standard 16x20 frame. Proceeds will be donated to the Mayflower 2020 Fund.

## GOVERNOR'S MESSAGE

Dear Mayflower Society Members:

Greetings, from the deck of the Mayflower, with a clear view and sails to the wind! As we journey toward the 400th Anniversary of our Pilgrim heritage, I know that we are operationally strong and financially healthy, which is attributed to our highly dedicated officers—past and present. A special thanks to our former Governor, Jim Battles, for his excellent services including establishing the first Mayflower Guard; Plymouth Meets the Arts; creating Juniors' summer field trips,

such as the Downrigging Weekend and the tour to historic St. Mary's City; and educating us on How to Dress Like A Pilgrim, Cook Like A Pilgrim, and Think Like a Pilgrim.

In early January, I sent a letter to the members requesting their financial contribution to help preserve the First Parish Church in Plymouth. The Maryland Society pledged \$5,000 towards the GSMD's goal of raising \$3 million over the next three years. This fundraising program is important for not only the preservation of the church and its posterity, but in preparation for the 42nd Mayflower General Congress in 2020. Our pledge cannot be met without your financial help.

We were saddened by the passing of a former officer, Warren B. Howard, who touched many of us with his great charisma, "can do" attitude, and professionalism. Warren worked tirelessly for several years as Corresponding Secretary and led the way into the 21st century with computer automation. He will be dearly missed. We hope to dedicate a walkway brick in his memory at the Mayflower Society House rose garden in Plymouth.

The Spring Banquet will be held on Sunday, April 29th, at the Chartwell Golf & Country Club in Severna Park. Noel Kuhrt, Delaware Society's Deputy Governor General, is the guest speaker. He will talk about the history of the Pilgrims and their contribution to American Democracy. On display will be a wonderful oil painting by his wife, Karen, which is an accurate depiction of "Four Teenage Women of the Mayflower," who survived the treacherous journey and went on to produce many descendants. The Mayflower Guard will also be in full costume for the Presentation of the Colors, and you will certainly enjoy seeing this new display of patriotism. I am very excited about this program, and hoping for a great turnout. I look forward to seeing you at the Spring Dinner.

Yours in preserving our Mayflower Heritage,

Timothy D. Mallory  
Governor, Maryland Mayflower Society

# WILL THIS BE YOUR LICENSE PLATE?

The Mayflower license plate is not only visibly appealing, it serves to identify a Mayflower descendant. I purchased a license plate several years ago and am amazed by the number of people who stop and ask about it. Some are even interested in joining our Society, which opens up an opportunity to explain the process.

For a limited time only, the following unissued tag numbers are available to our Members:

- SMD0073
- SMD0059
- SMD0080
- SMD0060

## Juniors

### Pilgrim Games

Children still play today....

**P**ilgrim children had English backgrounds and brought their 17th-Century English games to the New World. Below are a few of the games they played:

#### All Hid (hide-and-peek)

All Hid is the original English version of the game, hide-and-peek. The rules would have been the same as the modern version with one person designated as "it" and other players hiding while the "it" player counts and then runs to find others.

#### Naughts and Crosses (tic-tac-toe), Draughts (checkers)

Pilgrim children played "naughts and crosses," which we now call "tic-tac-toe." "Draughts" is the same game as our modern checkers. The rules for these games have not changed. Pilgrim children would have made a playing board by drawing a grid in the dirt with a stick. Wasting precious paper, pencil, or ink on a game—if such luxuries existed—would have been unthinkable.

#### Knickers (marbles)

"Knickers" was a popular European children's game of the 1600s. It is an earlier name for what we call marbles. The word knicker comes from the Old Dutch term "knikker," meaning marble and any game played with marbles in the early colonies was called knickers. Pilgrim children probably made their marbles from clay or smooth pebbles, as they would not have had glass marbles.

#### Hop Frogs (leap frog), Lummelen (keep away),

"Hop Frog"—known today as leap frog—was a traditional game popular among children in the 17th century. It was ideal for Pilgrim children who would not have wasted scarce resources on making gear for games. "Lummelen," or "keep away," was played exactly as it is today. "Stoolball," which resembled baseball or an adaptation of cricket, was outlawed by William Bradford in 1621.

Children in Plimoth probably played the same types of games that were played in England and Holland at that time. Few people wrote letters or kept records about something that seemed so ordinary to them. One thing is certain: they played a lot less than most children do today! Children in Plimoth Colony worked hard. They began at an early age to do important work for the family like husking corn, retrieving berries, fetching water, taking care of the animals, carding wool, and watching younger children.

# Mayflower Compact: the Non-signatories

by Merilee Speilberg Sommers  
Recording Secretary

As we approach 2020, some interesting questions come to mind about the signing of the Mayflower Compact by our forefathers. The 102 passengers on board the *Mayflower* consisted of 74 males and 28 females, with quite a few children and servants under the age of 18. The passengers were separatists, adventurers, and tradesmen. Written by the male passengers, the Mayflower Compact was the first governing document of Plimoth Colony.

The Mayflower Compact, signed in 1620, was a set of rules for self-governance for Plimoth Colony.

## Signatories

Of the people who signed the Mayflower Compact, all were men, and all had to be 21 years of age or older. Each man was supposed to sign the Compact before setting foot on land. Of the 101 passengers still alive, 41 adult males signed the Compact:

“The Mayflower Compact was signed aboard ship on November 11, 1620. They used the Julian Calendar, also known as Old Style dates, which was ten days behind the Gregorian Calendar. Signing the covenant were 41\* of the ship’s 101 passengers, while the *Mayflower* was anchored in Provincetown Harbor within the hook at the northern tip of Cape Cod.... The Gregorian date would be November 21.”<sup>1</sup>

\*Note: The 41 males comprised of 34 passengers, three crew members who had signed contracts to remain for one year, and four indentured servants.

## Non-Signatories

Here’s the question: Of the men that were alive on November 11, 1620 on board the *Mayflower*, which ones did not sign the Compact? And, why not? It should be noted that nine adult males did not sign the Compact:

“Nine adult males on board did not sign the document; some had been hired as seamen only for one year and others were probably too ill to write. No women signed it, in accordance with cultural and legal custom of the times.”<sup>2</sup>

- **Death:** Five passengers died at sea:

“The deaths of those persons are unique in *Mayflower* history as they occurred either at sea just before reaching Cape Cod or while the *Mayflower* was at anchor at the Cape Cod harbor for several weeks in what would later be called Provincetown Harbor. These shipboard deaths are the very first deaths of the *Mayflower* company and were just a precursor of many more deaths to come. By about mid-December 1620, it was decided that the company would settle at the location which was named Plymouth and eventually all on *Mayflower* moved ashore where more deaths continued.”<sup>3</sup>

The five persons and their dates of death were: William Butten (Button), November 16; Edward Thompson (Thomson), December 14; Jasper More, December 16; Dorothy Bradford, December 17; James Chilton, December 18.

Two more men—Button (a “youth”) and Thompson—are accounted for. We are left with 8, who may have been ill or part of the crew, or...what?

There were two factions aboard: the “Pilgrims” or “Saints” and the “Strangers”. Among the “Strangers” who signed the Compact were Stephen Hopkins and John Billington, who was known as a troublemaker and the first person to be hung in 1630.<sup>4</sup> So, who landed in Plymouth AND did not sign the Compact? Research reveals:

- **Indentured Servants:** The males under age 21 who were indentured servants of the Leiden Congregation (called Separatists) include William Butten (mentioned above), John Hooke, William Latham, Jasper and Richard Moore, Elias Story, and Roger Wilder.

From Leiden, male children under age 21 include Bartholomew Allerton, Love & Wrestling Brewster, John Cooke, John Crackstone Jr, Samuel Fuller (son of Edward), Joseph Rogers, Henry Samson (who

traveled with the Tilley family), the unnamed son of Thomas Tinker, the two unnamed sons of John Turner, Resolved White, and infant Peregrine White.

- **Merchant Adventurers:** The Merchant Adventurers were the group of English investors whose capital funded the Pilgrims’ voyage on the *Mayflower*. Males from the London Merchant Adventurers who were under age 21 include John and Francis Billington, Samuel Eaton, Giles Hopkins, and Joseph Mullins. Servants for the London Merchant Adventurers who were under age 21 include Robert Carter, William Holbeck, and John Langmore.

One man from the London Merchant Adventurers who was not a servant was Richard Prowe, who died in the first winter, so, he was probably too ill to sign. Then, there is Stephen Hopkins who had previously gone to Jamestown and had a colorful history—he signed the Compact. Accompanying him was his son, Oceanus, who had been born aboard the *Mayflower*.

- **Crew:** The men who were crew and hired to stay for one year include Mr. Ely and William Trevore, both of whom returned home on the *Fortune* in December 1621. They are the only ones who did not sign the Compact. Additional crew members who signed the Compact include: John Alden (who stayed longer), John Allerton and Thomas English (who died the first year). Ely and Trevore probably did not feel vested in the settlement.

Research shows Christopher Martin, a signer, who was rebel of the Church of England and elected governor of the *Speedwell*, had a manservant, John Langmore, aboard the *Mayflower*.<sup>5</sup> It is not known if he was over or under 21, but he died the first winter. Many *Speedwell*

passengers had joined the *Mayflower* for their journey to the new land after their ship was deemed not seaworthy.

Another entry shows Solomon Prower, stepson of Christopher Martin, who died the first year. So he may have been older than 21, but could have been ill.<sup>4</sup> The name Richard Prowe and Solomon Prower seem to be on separate lists of passengers and may be the same person.

The names seem to be all accounted for on the passenger lists and the Compact. The purpose of the *Mayflower* Compact seems to have been a successful endeavor—uniting the passengers into one mindset for a democratic settlement as they continued their perilous adventure.

As time progressed, the lines between the Saints and Strangers dissolved with intermarriages and deaths, and all became known as Pilgrims—the forefathers and foremothers of our Nation.

## It's a Parade!

The Maryland Society plans to participate in the 2018 Thanksgiving Parade to be held in Silver Spring, MD, on the Saturday before Thanksgiving, November 17, 2018. Members are encouraged to “dress

like a Pilgrim” for this event and others as we get closer to celebrating the 400th anniversary in 2020 of the Mayflower crossing. In order to prevent the further propagation of incorrect images of our Pilgrim ancestors, the following should be considered when selecting a period costume: “No black, no buckles, and no blunderbusses.”

Plans are also underway to design and submit a Mayflower Society float in the 131st Tournament of Roses Parade held on January 1, 2020 in Pasadena, California. The California Society submitted a preliminary application and will be meeting with the Pasadena Tournament of Roses and float builders to work out the details. If accepted, they will need an army of “petal pushers” to help between Christmas and New Year’s Eve in 2019. Watch for more information as it becomes available. Contact the California Society if interested in helping, at e-mail: [camayflower2020@gmail.com](mailto:camayflower2020@gmail.com). Originally started on January 1, 1890, the Rose Parade is part of “America’s New Year Celebration.”

## Historian’s Report

Dwight Mason, Historian  
Christopher Locke, Asst. Historian

Since January 1, 2017, the Maryland Society has brought in 52 new members, 14 supplementals, one transfer into our Society, and six transfers out. The total active membership is 448. There are 21 applications currently in Plymouth for approval. We still have 200 incomplete applications, many of which will not be completed. It should be noted that in the past six months, there has been a decline in inquiries about membership. This is true both for direct inquiries and for those referred by GSMD.

## Life Memberships

The Board has updated the standing rules regarding Life Memberships. Any Maryland member in good standing may apply. An application is included in this Log. The rates are:

AGE	DUES	
0 - 29 years*	\$1,500	
30-49 years	1,100	
50-64 years	700	
65-99 years	300	
100+ years	free	<i>*0 to 18 years old are Junior Life members.</i>

## Treasurer’s Update

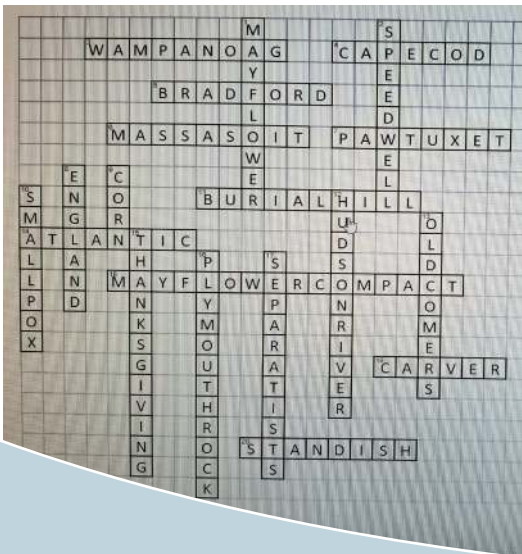

Marilyn VanWagner, Treasurer  
Louesa B. Canning, Asst. Treasurer

Due to the many responsibilities of this position, we added an Assistant Treasurer position. I reached out to Louesa last year and she was officially sworn in at the 2017 Compact Day Dinner. She has truly been the “wind beneath my wings.” Thank you, Louesa! It’s because of her that I am serving another term. The following activities took place:

- **Revenue:** Dues letters were sent in January to all of our annual members. As of March 2018, 199 annual membership dues have been collected.
- **Expenditures:** Major expenditures to date include the annual assessment to the General Society, which was paid in early March. Other expenditures include:
  - The Board voted to pledge \$5,000 to the First Church project in Plymouth over the next three years and one-third of the payment was made in January. Appeal letters requesting donations were recently mailed to all Life Members.
  - A deposit was also paid toward the “Pilgrims Meets the Arts” project. The project will not be completed until Spring of 2019, but will give us some nice prints to sell as we gear up for 2020.

“Priscilla Mullins”

On Sunday, November 19, our Society met at the Hilton DoubleTree Hotel in Annapolis. Our Guest Speaker, Kate LaPrad, portrayed Priscilla Mullins, who was only 18 years old when she boarded the *Mayflower*. Dressed in authentic period costume, Ms. LaPrad stayed in first person character and simulated Priscilla’s accent, knowledge, and perspective. “Priscilla” explained about the difficulties in early Plimoth Colony and how she lost both parents and brother the first Winter. She shared insights of her marriage to John Alden, the ship’s cooper—responsible for maintaining the ship’s barrels—who stayed in Plimoth in 1621 rather than returning to England. She discussed cooking and clothing worn by women, and convincingly made “Priscilla” come alive.

## 2017 Downrigging Weekend Trip

by James B. Battles

**The *Kalmar Nyckel*:** a reproduction of the first Colonial Swedish settlement ship to arrive in America in 1638.

On Sunday, October 29, 2017, seven hearty Maryland Mayflower descendants boarded the *Kalmar Nyckel*, a reproduction of the 17th century sailing ship that brought the first settlers to Delaware in 1637. The members who attended included: Jim Battles; Rob Burgio and his wife, Debbie; Rob's sister, Wendy Campbell, and her husband, Terry; George Hughes and his wife, Madeleine.

Sailing on the *Kalmar Nyckel* is the closest thing you can come to sailing on the *Mayflower*. Our sail was part of the Downrigging weekend in Chestertown, Maryland. The

Downrigging weekend is a tall ship festival where tall ships from across the Chesapeake, and surrounding area, come together for public sails on the Chester River. The river is full of sails making it a magnificent visual event and a real treat.

This is the second year that the Maryland Society has taken part in the Downrigging Weekend. Last year we sailed on the *Sultana*, a reproduction of an 18th century revenue cutter. There is nothing better than helping to hoist the sails of a ship like the one our ancestors sailed across the Atlantic Ocean on the *Mayflower*.

Former Governor, Jim Battles, organized the Downrigging weekend trip to Chestertown, Maryland.

Our 2016 Downrigging Trip included sailing on the *Sultana*, a reproduction of the smallest schooner ever in the British Royal Navy.

Family & Juniors Field Trip . . .

## Christina River Cruise

September 30, 2018

12:00 - 1:30 p.m.

This year's Family & Juniors Field Trip will be sailing on board the *Kalmar Nyckel*, which departs from the Kalmar Nyckel Shipyard in Wilmington, Delaware. The *Kalmar Nyckel* is a reproduction of the first Colonial Swedish settlement ship to arrive in America in 1638. Launched in the Fall of 1997, this ornately carved 17th century ship is a reproduction of the original *Kalmar Nyckel*, which was constructed in about 1625 in the Netherlands and later sold to Sweden. Sailing on the *Kalmar Nyckel* is the closest you can come to sailing on the *Mayflower*.

The original *Kalmar Nyckel* ship was constructed by the Dutch in about 1625 and was of a design called a "Dutch Pinnace."

### **Pirate Sail:** Enjoy a timeless adventure!

This is a great way to spend a Sunday in the Fall. The crew dons pirate and sailor garb, and guests are encouraged to dress up as well. The adults will enjoy a history talk and kids and/or grandkids will enjoy pirate stories. See the ship's cannons and imagine being at the helm of this magnificent vessel. Join the captain and a crew of "pirates" for a festive experience on the high seas.

**Weekend Trip:** Come early and explore the Wilmington area, the city that built 10,000 ships and 30,000 railcars—the #1 manufacturer between the Civil War and World War II. Tour the Copeland Maritime Center, which boasts several exhibits, and Fort Christina Park, Delaware's "Plymouth Rock". This is a perfect opportunity for children and grandchildren to experience sailing on a ship similar to the one our ancestors sailed. NOTE: For safety reasons, children under five (5) years of age are not permitted to sail.

**Departure:** The boat departs from the Kalmar Nyckel Shipyard, at 1124 E. 7th Street, Wilmington, Delaware 19801. Space is limited so please register early. Price: TBD. For more information or to make a reservation, please e-mail Governor Tim Mallory, at [timothy.mallory2020@gmail.com](mailto:timothy.mallory2020@gmail.com).

**Sail Date:** Sunday, September 30, 2018

**Sail Time:** 12:00 - 1:30 p.m.

# GSMD's Legacy Project National Pilgrim Memorial Meetinghouse

Excerpts from an article by  
Lea Sinclair Filson, Former Governor General

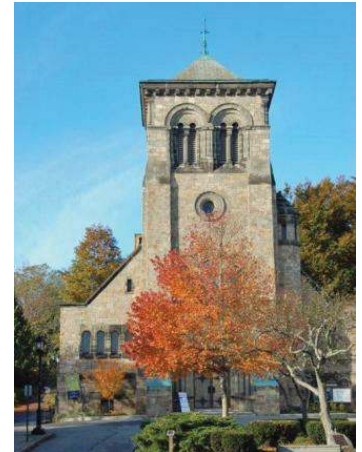

On my first trip to Plymouth, Massachusetts, many years ago, I walked alone into the peaceful stone church at the top of Leyden Street at the location of the Pilgrims' first Meetinghouse built in 1621. Since the General Society of Mayflower Descendants (GSMD) was founded in 1897, the same year the present structure was built, descendants have made regular pilgrimages to this spot. In fact, our member societies have helped furnish this structure through the years with Tiffany stained-glass windows, objects in the sanctuary, as well as many other contributions.

Today, that same Meetinghouse still stands at the top of Leyden Street, but it has now taken on an image of faded greatness. This is not because of neglect. The First Parish Church congregation has dwindled and, to save the building, they have agreed to donate it to GSMD upon the condition that funds be placed to permanently maintain it, and that they be allowed to continue scheduling their worship services. Along with the Meetinghouse, the Church will turn over their records, from modern times back to 1620, written by William Bradford, William Brewster, Robert Cushman, and many others. There are references and stories of our Mayflower ancestors going back to Leiden, information that must be curated and properly maintained permanently. Our decision to create an endowment for this spiritual structure and its records will be one of our most important legacies.

The First Parish Church congregation recently signed a Charitable Trust with GSMD that will place the deed into a partnership between our two organizations until we can raise \$3,000,000. At that time, the church will transfer the deed, and we will become the new stewards, responsible for preserving and maintaining this memorial. Our deadline to raise \$3,000,000 is September, 2020, but our responsibility to finance and care for the Meetinghouse will continue. The congregation chose our Society because they knew we would show it the same reverence. As our center of education, GSMD will bring the world to the Meetinghouse.

The first Meetinghouse was built in 1621, in the middle of a wilderness, the year after the *Mayflower* landed. Records of

our ancestors were stored here and passed on from congregation to congregation through the years. This is the fifth spiritual structure built here, designed to honor and memorialize the Pilgrims. A more authentic historic place in America cannot be found! All 51 member societies pledged to donate to the Meetinghouse, and since then, several other individual members have come forward and donated \$1,000 each, inviting other members to match their donations.

We are asking that those who give, choose whether they want to give to the restoration or preservation of the Meetinghouse:

- **Restoration:** By giving to the restoration, your donation will go into the Charitable Trust, where we have agreed that no matter whether we accept the donation of the Meetinghouse or not, the funds will still restore this memorial to the Mayflower Pilgrims.
- **Preservation:** If you choose to give to the preservation, your funds will go into our GSMD Meetinghouse endowment fund, that will use only a percentage of the funds to maintain and operate the Meetinghouse in coming years.

Restoring the Meetinghouse and making it the center of our Pilgrim education mission is the best possible legacy the General Society could leave in 2020, the 400th anniversary of the *Mayflower* crossing. Regardless of which fund you choose to donate to, individuals committing to \$5,000 or more by 2020 will be listed on a plaque in the Meetinghouse. Together, we are going to make this happen!
